**\*\* NOTE OUR NEW LOCATION\*\***

Over 6000 plants available-mostly perennials. Also annuals, grasses, and shrubs.

New this year: **Native Trees** (order at sale and pick up the following weekend)

Expanded inventory of **Indiana Native Plants**

Large selection of **Vegetable Plants**

**An Educational Program** will be presented throughout the sale: *Plant Profiles*

*Facts and Photos in Powerpoint*

Our plants are grown by Master Gardeners in Hamilton County. All are dug directly from Master Gardener's gardens or raised from seed or plugs in Hamilton County. We offer healthy plants already acclimated to our area - not recently shipped from a greenhouse in another state.

- ❖ Plants priced below Garden Center selections
- ❖ Outstanding selections of Daylilies and Hostas available
- ❖ Bearded Iris (in bloom) may be dug to order out of their growing bed
- ❖ Expert advice is available in selecting plantings, planting and growing tips
- ❖ Specialty areas with experts available: Culinary Herbs, Heirloom Plants, Butterfly Gardens, Plants for Low Maintenance, Plants for Water Gardens, Indiana Native Plants, and Vegetables

**HCMG works to promote sound horticultural practices for Hamilton County residents in conjunction with the Purdue Extension Service. Our proceeds for this sale fund the following:**

- ❖ College scholarships to Hamilton County students; Gro Labs to further science education at the elementary level; Horticultural Education assistance at area high schools.
- ❖ Seeds of Knowledge-horticultural presentations available for county groups, libraries, etc.
- ❖ Voice Mail-Gardening questions from county residents are answered by HCMG members.
- ❖ Classes for Tree Stewards in conjunction with the Indiana Department of Natural Resources.
- ❖ Educational display gardens at the 4H Fairgrounds, various county parks, and other featured plantings in several Hamilton County towns.
