HCMGA GROWLAB GRANT APPLICATION

The HCMGA wishes to engage children in a plant-based curriculum with hands-on, minds-on lessons. To further this goal matching grants are available for up to \$400 to purchase indoor Growlab unit(s). See the National Gardening catalog for available units (www.kidsgardening.com.) Visit our website at www.hcmga.org

Grant Requirements

1. Any school which does not reside on a home residence in Hamilton County, Indiana is eligible.
2. The application must be complete.
3. All HCMGA board decisions are final.
4. Applications may be submitted October through May.
5. Grants will be processed in two months excluding December.
6. Submit all applications to :

Debbie Mager
1302 Catamaran Circle
Cicero, IN 46034

Inquiries may be made to Debbie Mager at:

hcmga@hcmga.org

HCMGA GROWLAB GRANT APPLICATION

Why would you like to use a GrowLab Indoor Garden in your class next year?

How might GrowLab fit into your current science program?

How will you use GrowLab for subjects other than science?

HCMGA GROWLAB GRANT APPLICATION

From what source would you likely obtain the required amount in matching funds?

(i.e., school science budget, donations, PTO, fundraiser, other)

How will you obtain supplies for your indoor garden?

Are there other teachers in your school who would like to implement a Grow-Lab Program?

Which GrowLab best suits your needs, the two tier or the one tier model ?

Why do you think your principal would be enthusiastic and supportive of the program?
